The Basic Stuff

(What you need to know)

Thanks for enquiring about having your function at The Duck Inn. We have a relaxed, friendly pub that loves people having a good time and feeling at home.

We cater for all types of functions – birthdays, engagement parties, hen's parties, charity trivia nights, product launches, meetings and weddings. We have had them all!

The Duck Inn doesn't charge for use of space but asks that you commit to a minimum spend if you'd like to use one of our great spaces exclusively*.

We offer a variety of tailored food and beverage options from casual grazing finger food to wine dinners or three course meals. We allow certain flexibility within our functions to ensure all your requirements are met.

If this package does not provide enough information, please do not hesitate to contact our friendly Functions Manager!
